SAFETY AT SCHOOL

WHAT IS BULLYING?

Bullying includes physical, verbal, emotional, and relational behavior. It is important to recognize bullying early and take action to prevent it. If you are aware of bullying, you can do something about it. This includes reporting any incidents to the school, providing support and encouragement to the victim, and helping to create a safe and positive learning environment.

WHAT CAN I DO IF MY CHILD IS BEING BULLIED?

- Support your child by providing a safe and secure environment at home.
- Encourage your child to express their feelings and concerns.
- Stay informed about what is happening to your child.
- Help your child develop coping strategies.
- If necessary, seek professional help.

WHEN TO REPORT BULLYING?

- If you suspect that your child is being bullied, report it immediately.
- If your child is being bullied, report it to the school.
- If you suspect that someone is bullying your child, report it to the school.

HOW TO REPORT BULLYING?

- Contact the school directly.
- Use the school's bullying prevention program.
- Report the incident to law enforcement.

WHAT TO EXPECT?

- The school will investigate the incident.
- The school will take action to address the bullying.
- The school will provide support to the victim.

CONCLUSION

Bullying is a serious issue that can have long-term effects on a person's mental and physical health. It is important to take action to prevent bullying and provide support to those affected. By working together, we can create a safe and supportive school environment for all students.
